

Fireman Sam

INSTRUCTIONS

- 1** Ask a grown-up to help you cut out the outside edges of the shape below.
- 2** Fold down all the edges that have a solid black line, so that the pictures face outwards.
- 3** Glue all the flaps on the outside edges.
- 4** Place the blank face on a solid surface and fold all the sides up so that the lid is on the top.
- 5** Stick the outside edge of the flaps to the inside edges of the sides.
